Figure 1

This farmland is located on NC 87 between Bladen Springs and White Creek in Bladen County, NC.

Figure 2

This is a view of the same land looking northeast. The Northwest Cape Fear River is located a short distance beyond the trees.

Figure 3

The photograph was taken from the same position (*See* Figure 1 through 2). This is the view looking northwest.

Figure 4

This photograph was taken from the same position (*See* Figure 1 through 3). This is the view looking north on NC 87.

Figure 5

This is a hayfield on the bluff side of the Northwest Cape Fear River near White Creek.

Figure 6

This is a closer view of the same curve in Highway 87 (*See* Figure 4).

Figure 7

This is the west side of NC 87 near White Creek.

Figure 8

This is a view of the landscape looking north from the same position (*See Figure 7*).

Figure 9

The sign is for the White Creek Missionary Baptist Church. From this point the level of the land descends to Hammond Creek.

Figure 10

This photograph shows the view of the landscape looking south back towards the curve (*See* Figure 6).

Figure 11

This dirt road leads from NC 87 to the southeast side of Hammond Creek in Bladen County, NC.

Figure 12

The land on the southwest side of Hammond Creek is much lower than the highway.

Figure 13

This is a closer view of the vegetation on the southwest side of Hammond Creek

Figure 14

This is a view of NC 87 looking south from the south side of Hammond Creek.

Figure 15

This is a view of NC 87 looking north from the south side of Hammond Creek towards the bridge over Hammond Creek.

Figure 16

Mt. Horab Presbyterian Church is located below Bladen Springs on NC 87 at an elevation of 100'.

Figure 17

This is the drive leading to the Mt. Horab Presbyterian Church.

Figure 18

These tombstones are located in the Mt. Horab Presbyterian Church cemetery.

Figure 19

This billboard is located on NC 87 south of Elizabethtown, NC.

Figure 20

This is a view of Singletary Lake in Bladen County, NC as seen from NC 53.

Figure 21

Singletary Lake is a Carolina Bay that has filled with water.

Figure 22

Vegetation around Singletary Lake consists of pines and scrub oaks.

Figure 23

This photograph shows a wider view of the vegetation around Singletary Lake.

Figure 24

This close-up shows a dock and gazebo on the south end of Singletary Lake.

Figure 25

NC 53 in Bladen County, NC passes through Bladen Lakes State Forest Game Land.

Figure 26

The land on the east side of the Northwest Cape Fear River is sandy and low. NC 53 passes through Bladen County on this side of the river.

Figure 27

This photograph of the vegetation on the side on the road on NC 53 near Singletary Lake shows exposed patches of sand.

Figure 28

This is another view of the sandy soil in the same area (*See* Figure 27).
